

HONORING THE LIFE AND LEGACY OF DR. PAUL BROWN

(Mr. BALDERSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BALDERSON. Mr. Speaker, I rise today to pay tribute to the life and legacy of my dear friend, Dr. Paul Brown, past President of Zane State College, and a respected voice for higher education in Ohio. I was heartbroken to learn of his sudden passing last week.

Among the many accomplishments over his 30-year career was his work to modernize Zane State for better preparing students for success in their careers and in life. Under his leadership, Zane State had over 70 percent growth in enrollment and record-setting job placement.

It was an honor to work alongside Paul for so many years. I extend my heartfelt condolences to his wife, Linda, and the entire Brown family.

HONORING CLARENCE “TAFFY” ABEL AND 100TH ANNIVERSARY OF FIRST NATIVE AMERICAN IN WINTER OLYMPICS

(Mr. BERGMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BERGMAN. Mr. Speaker, I rise today to honor the 100th anniversary of the first Native American in the Winter Olympics and fellow Yooper, Clarence “Taffy” Abel.

Taffy was born in Sault Ste. Marie, Michigan, on May 28, 1900, and was a member of the Sault Tribe of the Chippewa Indians. Following his childhood years, he joined the U.S. National Hockey Team in the first Winter Olympics in 1924. From there, he was selected by his fellow athletes to carry the American flag during the opening ceremonies and helped the U.S. win a Silver Medal.

Taffy went on to lead a successful professional career in the NHL with the New York Rangers and Chicago Blackhawks, resulting in two Stanley Cups, and was greatly respected by many of his peers. His accomplishments significantly advanced international hockey as an institution by tearing down many sport and cultural barriers.

Mr. Speaker, I encourage my colleagues to join me in recognizing this historic anniversary and the legacy of Clarence “Taffy” Abel.

ARGENTINA’S ONE BELT, ONE ROAD INITIATIVE

(Mr. GAETZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GAETZ. Mr. Speaker, while the Biden administration, the media, and many in Congress beat the drums of war for Ukraine, there is a far more

significant threat to our Nation accelerating rapidly close to home.

Argentina, a critical nation and economy in the Americas, has just lashed itself to the Chinese Communist Party by signing on to the One Belt, One Road Initiative.

The cost to China was \$23.7 billion, a mere fraction of a rounding error when compared to the trillions of dollars our country has spent trying to build democracies out of sand and blood in the Middle East.

China buying influence and infrastructure in Argentina to collaborate on space and nuclear energy is a direct challenge to the Monroe Doctrine, and far more significant to American security than our latest NATO flirtation in the plains of Eastern Europe.

China is a rising power. Russia is a declining power. Let us sharpen our focus so that we do not join them in that eventual fate.

RECOGNIZING ORION JEAN

(Mr. ELLZEY asked and was given permission to address the House for 1 minute.)

Mr. ELLZEY. Mr. Speaker, I would like to address the floor today and bring attention to an extraordinary young man from Mansfield, Texas, named Orion Jean.

In 2020, Orion was selected as the National Kindness Speech Contest Winner. With the cash prize that Orion received from the speech contest, he created his own initiative focused on community and kindness, called Race to Kindness.

His first project was Race to 500 Toys. Orion collected and personally donated over 600 books to the Children’s Medical Center of Dallas, but Orion did not stop there. He continued on with his next Race to Kindness project, Race to 100,000 Meals. With the support of local communities and non-profit organizations, Orion fed over 100,000 people during Thanksgiving 2020.

Orion’s efforts not only reached the people of District 6, but with his most recent endeavor, Race to 500,000 Books, he has collected 500,000 books and is distributing them to Mansfield Independent School District, Fort Worth Independent School District, and Dallas Independent School District, along with several literacy organizations.

Just when you think this young man could not get any more impressive, he is also a published author with his debut book, “A Kids Book About Leadership,” which encourages children to discover the power of leadership that resides within themselves.

He has appeared on Good Morning America and The Ellen Show, where he received a \$10,000 donation for Race to Kindness. And right now, Orion is a Top 5 finalist for Time’s Kid of the Year 2021.

Orion’s goal is to pull kindness to the forefront and show the true power of community and how those two quali-

ties can change people’s lives. We should all strive to be more like Orion Jean.

MASKING CHILDREN IS CHILD ABUSE

(Mrs. GREENE of Georgia asked and was given permission to address the House for 1 minute.)

Mrs. GREENE of Georgia. Mr. Speaker, I would like to talk about how children feel about masks.

You see, while they are watching television, seeing Super Bowl games where adults are filling stadiums without masks and enjoying themselves, and while they see concerts happen, they see people go to work, they see adults going many places all over this country without masks, they are forced to wear a mask every single day at school, and it is wrong. Actually, it is child abuse.

Now, I know that sounds like strong words, but it really is because children are not at risk of COVID-19. As a matter of fact, children are at the lowest risk.

Do you know what is harmful to children? Having their faces covered all day long at school, not being able to see each other’s faces; not being able to see their teachers’ faces; and not being able to learn properly speech, emotions, having that connection, seeing each other’s faces, and learning from adults seeing each other’s faces.

Now, while Democrats are going on with the mask for thee and not for me, kids have had enough. And they are going to be future voters. They are sick and tired of being forced to wear a mask. It needs to end. Masking children is child abuse.
